

2023 Global Collaborative Course Specification

Course title	Korean Language 1 (Active Korean-level 1)			
Time	2023.06.27. ~ 07.17. (13:30~16:30, Full In-person Class)			
Course descriptions	<p>This class is intended for those studying Korean for the first time. Through this class, students will learn the Korean alphabet as well as basic vocabulary and expressions. This class is designed not to be instructor-centered, but rather to be student interactive. Thus it is a hands-on class focusing on speaking activities.</p> <p>Also, there is substantial use of visual materials and other media pertaining to course content so as to fully engage students cognitive abilities. In the interest of developing both students Korean language fluency and language accuracy, there is also thorough inclusion of grammar activities.</p> <p>In particular, the course will focus on introducing unique aspects of Korean culture and the modern meanings they have come to take on.</p>			
Goals	<ol style="list-style-type: none"> 1. You can learn Korean language and culture. (K-POP, K-DANCE, Korean paper art) 2. You can understand the Korean alphabet and be able to read and write Korean words, sentences, etc. 3. You can become familiar with three to four hundred Korean terms and to be able to use them. 4. You can conduct the verbal exchanges necessary for daily life outside the classroom in Korean.
